

January 24, 2012

Paul D. Spivey, MT(ascp)  
Administrative Director  
United Clinical Laboratories  
205 Bluff Street  
Dubuque, IA 52001

Joint Commission ID #: 344645  
Program: Laboratory Accreditation  
Accreditation Activity: 60-day Evidence of  
Standards Compliance  
Accreditation Activity Completed: 01/24/2012

Dear Mr. Spivey:

The Joint Commission would like to thank your organization for participating in the accreditation process. This process is designed to help your organization continuously provide safe, high-quality care, treatment, and services by identifying opportunities for improvement in your processes and helping you follow through on and implement these improvements. We encourage you to use the accreditation process as a continuous standards compliance and operational improvement tool.

The Joint Commission is granting your organization an accreditation decision of Accredited for all services surveyed under the applicable manual(s) noted below:

- Comprehensive Accreditation Manual for Laboratory and Point-of-Care Testing

This accreditation cycle is effective beginning October 21, 2011. The Joint Commission reserves the right to shorten or lengthen the duration of the cycle; however, the certificate and cycle are customarily valid for up to 25 months.

Please visit [Quality Check®](#) on The Joint Commission web site for updated information related to your accreditation decision.

The following laboratory services have been surveyed under Joint Commission standards in accordance with the Clinical Laboratory Improvement Amendments of 1988 :

CLIA# 16D0648074 for the specialties and subspecialties of Culture Set-up Only, Bacteriology, Mycology, Parasitology, Syphilis Serology, General Immunology, Routine Chemistry, Urinalysis, Endocrinology, Toxicology, Andrology, Coagulation, Hematology, Blood Transfusion Services, Immunohematology(ABO Group and RH, Antibody Transfusion, Antibody Non-Transfusion, Antibody Identification, Compatibility Testing), Histopathology, Oral Pathology, Dermatopathology, Cytology, Autopsy Services and Tissue Banking.

CLIA# 16D0648073 for the specialties and subspecialties of Bacteriology, Mycobacteriology, Mycology, Parasitology, Virology and General Immunology.

CLIA# 16D0688775 for the specialties and subspecialties of Culture Set-up Only, Bacteriology, Mycology, Parasitology, Virology, General Immunology, Routine Chemistry, Urinalysis, Endocrinology, Toxicology, Andrology, Coagulation, Hematology, Blood Transfusion Services, Immunohematology(ABO Group and RH, Antibody Transfusion, Antibody Non-Transfusion, Antibody Identification, Compatibility Testing), Histopathology, Oral Pathology, Dermatopathology, Cytology and Autopsy Services.

CLIA# 16D0386197 for the specialties and subspecialties of Culture Set-up Only, Bacteriology, Mycology, Parasitology, Virology, Syphilis Serology, General Immunology, Routine Chemistry, Urinalysis, Toxicology, Andrology, Coagulation, Hematology, Blood Transfusion Services and Immunohematology(ABO Group and RH, Antibody Transfusion, Antibody Non-Transfusion, Compatibility Testing).

We encourage you to share this accreditation decision with your organization's appropriate staff, leadership, and governing body. You may also want to inform the Centers for Medicare and Medicaid Services (CMS), state or regional regulatory services, and the public you serve of your organization's accreditation decision.

Please be assured that The Joint Commission will keep the report confidential, except as required by law. To ensure that The Joint Commission's information about your organization is always accurate and current, our policy requires that you inform us of any changes in the name or ownership of your organization or the health care services you provide.

Sincerely,

*Ann Scott Blouin RN, PhD*
